############### Open Source Report for LINX FOR LINUX 2.6.9 ###############

Purpose
The purpose with this document is to provide information about all included open source
software in the releases target components.

All open source software found in target components in the release are listed below.
The terms and conditions (license conditions) apply to any and all user's usage of the
open source software and, consequently, may affect Enea's customers. The license
conditions may impose obligations upon the user, which shall apply upon usage of the
open source software. See the terms and conditions below.
